TYPE-C

Supercharge your workflow from location to post-production

Seamlessly transfer files on the go with Lexar[®] Professional CFexpress[™] Type B USB 3.2 Reader. This professional-level reader offloads a tremendous amount of high-quality images and RAW 8K video from your CFexpress[™] Type B card to your computer at USB 3.2 Gen 2x2 speeds, supercharging your workflow from location to post-production.

Quickly offload RAW 8K video and images. This compact reader leverages USB 3.2 Gen 2x2 technology, and is optimized for use with Lexar[®] CFexpress[™] Type B card. This reader facilitates a seamless transfer of tremendous amount of large files, and helps to ease through post-production. This makes the CFexpress[™] Type B USB 3.2 Reader the perfect choice for professional photographers and videographers looking for a seamless workflow from the field to post-production.

Versatile connectivity. The CFexpress[™] Type B USB 3.2 Reader includes a 2-in-1 USB Type-C to USB Type-A cable and USB Type-C to USB Type-C cable for seamless port-to-port connection.

Compact and portable design. Its compact and portable design allow you to slip the reader into your pocket and go. Its simple plug-and-play design with USB 3.2 connector enables you to offload content with blazing speeds wherever you are.

Rigorously tested. All Lexar product designs undergo extensive testing in the Lexar Quality Labs, facilities with more than 1,100 digital devices, to ensure performance, quality, compatibility, and reliability.

For more than 20 years, Lexar has been trusted as a leading global brand of memory solutions. Our award-winning lineup includes memory cards, USB flash drives, card readers, and solid-state drives. With so many options, it's easy to find the right Lexar solution to fit your needs. Lexar products are available worldwide at major retail and e-tail stores. For more information or support, visit www.lexar.com.

¹Results may vary based on system configuration and card speed.

Warning: Compatible only with CFexpress[™] Type B memory cards, indicated by a boxed USB logo on the card label. Use with incompatible card may result in data loss. Contact your card manufacturer for details.

Lexar is not liable for any loss of data or images.

Product appearance, performance, software offerings, and packaging may vary depending on ship date and available inventory.
