## Highlights

### D3O - industry standard protection

High-end cover with D3O® licence: this bumper case guarantees shatterproof and shockproof drop protection - durable mobile phone protection in all situations

### Scratch protection deluxe

Scratch-resistant with 4H hardness rating: tough, strong surface finish protects against scratches and abrasions from anything in your trouser pocket, handbag or jacket pocket

### Anti-yellow tint

Transparent mobile phone case without yellowing: many years of enjoyment from your case as the special material composition prevents yellow discolouration

### Camera protection through raised edges

Simply lay it down carefree: the raised edges of the phone case provide protection for the protruding camera lenses without compromising the quality of the photos

### Edge protection for the display

Additional protection for the mobile phone display: The mobile phone cover has a raised edge all around - so the touchscreen is better protected

### Custom-fit

Tailor-made mobile phone case: protects what needs to be protected and leaves free what should remain free, e.g. loudspeaker and charging socket

**Protected side buttons**

A clean sweep: The mobile phone cover also covers the side buttons - this protects against dust and enables a perfect pressure point

**Anti-slip surface**

Bumper with grip: with the anti-slip material and the ribbing on the sides, you always have a secure grip on the mobile phone case

**Plastic-free**

Packaging with a clear conscience: our packaging is 100% plastic-free, enabling us to reduce plastic waste and increase its recyclability

**FSC**

FSC-certified: the paper and cardboard used in our packaging comes from sustainable forest management - enabling us to take a resources-sparing approach to the raw material of wood

# FAQs

## How resistant is the mobile phone case to yellowing?

The mobile phone case proves its durability through strict yellowing tests by SGS and in accordance with ISO 4892-2:2013. The special material composition is designed to prevent yellowing and discolouration of the cover in daily use over the long term.
