MultiBag EFFECT

The MultiBag EFFECT, available in 2 versions, is a protective cover for tablets or laptops, made from 60% recycled PET felt. It can be combined with one or two practical accessory bags.

They are the ideal solution for anyone who travels and also want to keep their accessories such as cables or headphones safely stowed away. In addition, the high-quality felt bag protects your device from scratches and damage.

So everything stays in its place and is always ready to hand.

MultiBag 13" EFFECT

- Protective cover (32×25 cm) for tablets up to 13", can be combined with additional accessory bag (24×13.5 cm)

- The MultiBag is made from 60% recycled PET felt
- Lightweight and portable: convenient for everyday mobile use, easy to stow in a backpack, briefcase or handbag
- Snap fasteners securely connect the cover and accessory bag together
- The tablet cover and accessory bag can also be used separately, as required
- Sustainable packaging: Resource-saving and plastic-free

MultiBag 16,4" EFFECT

- Protective cover (40.5×30 cm) for laptops up to 16.4", can be combined with additional accessory bag (26×15.5 cm) and cell phone bag up to 6.8" (18×10 cm)
