ENERGIA CHARGER

WALL CHARGER UK - 1 USB-C PORT
FOR TABLET AND SMARTPHONE
Réf. 020014

PRODUCT

FEATURES

- ⚡ 1 USB-C port: 20W Maxx
- ⚡ Power Delivery compatibility
- ⚡ GaN composant
- ⚡ Compact and lightweight design
- ⚡ Compatible with all UK power outlets
- ⚡ Input : 100-240V~50/60Hz,0.5A
Output : 5.0V-3.0A,9.0V - 2.22A, 12.0V-1.67A

Power Delivery / PPS (Programmable Power Supply) technology: For USB-C charging ports.

These technologies speed up and optimise charging while adjusting the power delivered according to the device being charged. The mains adapter will not deliver the same power to charge a smartphone as it will to charge a tablet. This makes for **faster, more efficient** recharging, while preserving and **extending battery life**.

GaN (Gallium Nitride) component:

This component enables more efficient and **compact** electronic systems that **reduce energy losses**. Mains adapters equipped with this GaN component **consume less energy** while being smaller and lighter than traditional adapters.
