2.5" Portable Hard Drive – Refurbished, tested in Germany

This external hard drive has been refurbished and undergoes extensive technical testing before sale in accordance with the company's internal IHQ (Intenso High Quality) quality standard. Assembly, final inspection and packaging are carried out at Intenso's site in Vechta, Germany.

The refurbished hard drive is integrated into a new, durable enclosure and provides reliable additional storage space for documents, photos, videos and other files.
