

Enchufe modular 8P8C para cables LAN solidos, FTP

LC-PTF-01/10

- This innovative RJ45 8P8C connector simplifies twisted pair terminations by allowing the wires to be inserted through the connector completely and out the front. This allows users to easily verify the proper wiring order. Because this also allows to tightly pull the connector down over the cable jacket, it seats more tightly in the rear of the connector as well. This reduces the distance between the wire twists and contacts and improves performance.
- No more wasted crimps! More reliable, higher performance.

Características

- Mejor soporte de los cables LAN sólidos por los contactos internos de 2-horquillas
- Enchufe modular 8P8C, chapado en oro 30"

Especificaciones

Structure: 8P8C
Shielding: yes (FTP)

Embalaje

Cantidad por caja, pcs	500
Volumen caja, M3	0.02695
Peso caja, kgs	15
Medidas cajas individuales LxWxH:	140x115x50 mm
Medidas caja LxWxH	385x350x200 mm
País de origen	CN
Código de barras	8716309096485
codigo de aduanas	8536699099

Contenido de la caja

Carton contains bags with 10 pcs
