ELV8 Universal Graphic Card Holder

A smart add-on GPU brace to protect your graphics card and motherboard for longer period of use. The Cooler Master ELV8 helps reduce the sag of heavier graphics cards and the stress on PCI-e slot on the motherboard. The length and height adjustments allows it to work with almost any graphics card. It also features a beautiful addressable RGB strip to enhance the light sync with the entire system.

Features

Protect the GPU

Prevents GPUs from bending and sagging after long period of use.

Universal GPU support – Compatible with most GPUs using length and height adjustment

Protect the motherboard – Reduces stress on motherboard PCI-E slot by supporting the weight of GPU

Co-designed with Tantric Mods – Co-designed with one of the top modders and system builders in the world

RGB ready – Sync with ASUS, MSI, GIGABYTE and ASROCK Addressable for up to 16.8 million colors of control

Specifications & Packing Information

Product Name	ELV8
Product Number	MAZ-IMGB-N30NA-R1
Material	Steel / Plastic
Dimensions	305 x 52 x 6 mm (12 x 2.0 x 0.2 inch)
LED	Addressable RGB LED
Connector	3-Pin Addressable RGB
Rated Voltage	5VDC
Rated Current	A
Power Consumption	W
Warranty	2 Years
*For the latest CPU support information, please visit our website	

EAN code	4719512094129
UPC code	884102066542
Net weight (Kg)	0.148
Gross weight (Kg)	0.237
Carton dimension (L x W x H)	47 x 35 x 26 cm

Cont.	W/ Pallet	Carton/ Pallet	W/O Pallet
20'	13860	42	N/A
