

# Enchufe modular 8P8C para cables LAN solidos

LC-PTU-01/100

- This innovative RJ45 8P8C connector simplifies twisted pair terminations by allowing the wires to be inserted through the connector completely and out the front. This allows users to easily verify the proper wiring order. Because this also allows to tightly pull the connector down over the cable jacket, it seats more tightly in the rear of the connector as well. This reduces the distance between the wire twists and contacts and improves performance.
- No more wasted crimps! More reliable, higher performance.

## Características

- Mejor soporte de los cables LAN sólidos por los contactos internos de 2-horquillas
- Enchufe modular 8P8C, chapado en oro 30"

## Especificaciones

Structure: 8P8C  
Shielding: no (UTP)

## Embalaje

Cantidad por caja, pcs	50
Volumen caja, M3	0.03024
Peso caja, kgs	9.64
Medidas cajas individuales LxWxH:	160x115x40 mm
Medidas caja LxWxH	400x360x210 mm
Pais de origen	CN
Código de barras	8716309096478
codigo de aduanas	8536699099

## Certificados

## Contenido de la caja

Carton contains bags with 100 pcs
