

Denver BPS-455

- Bluetooth party speaker
- 72W volume output (2 x 36W RMS)
- 2 x 10" woofers + 2" tweeter
- FM radio
- USB/MicroSD card slot for direct MP3
- Microphone & Guitar input
- AUX input
- Bass, treble and mega bass adjustment
- TWS function (pair two speakers together)
- Built-in rechargeable battery (4500mAh)
- LED light function around speakers - lightshow with rhythm function
- Display with blue light
- 2 wheels built-in for easy transport
- Remote control included

We have seen some examples, where the speaker will turn off while playing. This typically happens if you play at low volume.

We have an update that fixes this. This update can be found here. **(please ONLY use the update if you experience this issue, it is the only thing it changes)**

[Update <-- click here](#)

Instructions on how to update:

1. Download and copy the file to an empty USB stick (make sure it is formatted in FAT32)
2. Turn on the speaker and then insert the USB stick into the USB port.
3. Watch the display. When it writes HI-FI, take out the USB stick.. (make sure not to take it out before it writes Hi-Fi) and wait.
4. Now the speaker restarts and are updated.

Please notice: The only products affected are products with snr. starting with 13768 or 14028.

All speakers sent to retailers from 1st of January 2021 are not affected.
