SKU: N/A

Updated and improved! An ergonomic and flexible product that is easy to move and easy to install. Attractive and elegant on all sides, and thus able to be placed in the center of the room. Since we never get tired of improvements, our premium floorstand now has even more refined details as well as a new color option, Dark Grey. Perfect for large, heavy displays and touch-sensitive displays, due to the very stable, patented design.

The display can be locked with the accompanying locking screw for personal safety, or with a padlock (not included) which provides increased protection from theft. Brand new is this freestanding version with a foot that bolts to the floor. The pre-factory assembly of the Presence series means that installation is easy and quick.

The design of the Presence series is, furthermore, protected.
